Service Details:

Mode: Remote

Duration Estimada: 3 days

Part Number:

P/N	Description
APS-QST-QSRTRD	QoreStor Rapid Deploy

Limitations:

The customer is responsible for the configuration and installation of storage hardware devices.

Adistec will not be able to guarantee the level of performance. These metrics can be related to hardware components, and the customer must analyze these behaviors with their hardware vendors and the manufacturer as such.

Terms and Conditions:

Our services are governed by the general terms and conditions specified on our website:
