TERMS AND CONDITIONS

The new price change is applicable only to vSAN server versions, and not applicable for vSAN desktops versions and VMware Cloud Foundation.

Partners that report vSAN usage do not need to take any additional action to benefit from the price change and need to continue reporting vSAN usage as usual.

* Cloud Provider Partners consuming vSAN at list price (non-special SKUs)

Cloud Provider Partners that are not already deploying vSAN and want to take advantage of the new price to adopt an HCI strategy can reach out to their VMware Business Development Manager or Aggregator Partner for evaluation, at the discretion of VMware.
